Attestation reference 119535

It may therefore be presumed that said product is in conformity with the provisions of the following European Directives including the latest amendments, and with national legislation implementing these Directives:

- Low Voltage Directive 2006/95/EC
- EMC Directive 2004/108/EC

Provided that other applicable Directive requirements are satisfied, the manufacturer (or the European authorized representative), may draw up an EC/EEA Declaration of Conformity and affix the CE-marking as indicated below, to each conforming product.

Technical documentation, which enables the conformity of the product with the requirements of the Directives to be assessed, will be kept by Nemko for at least 10 years, provided the conditions for the certification are fulfilled.

Variants This attestation also covers variants with Position No. from 001 to 003
